

# India Memoirs

EDITOR'S NOTE: Below is the first in a series of authoritative and fascinating articles on India by Dr. Joseph C. Johannes, prominent local physician who recently returned after 14 years in the Mission Service in India and Burma. His informal talks before local organizations have proved so popular that the publishers of the Campbell Press asked Dr. Johannes to prepare these articles in order that many more people may enjoy his reminiscences of his experiences in the Near East.

While he was serving as a medical missionary, Dr. Johannes was instrumental in establishing hospitals in the hearts of India and Burma. He is a graduate of the College of Medical Evangelists, Loma Linda, California, and formerly practiced in Santa Cruz. Following their return from the Near East last year, Dr. and Mrs. Johannes established their home at 444 Alice Way, Campbell, and the doctor opened local offices for the practice of medicine, surgery and obstetrics.

By Dr. J. C. JOHANNES

India, the land of spices and mysticism, strange customs and manners and people holds many charms for tourists the world over. It is a land of contrasts. The rich and the poor, the educated and the ignorant, the high caste Brahman and the low caste sweeper live there. Four thousand years of civilization has changed very little the life of the average Indian. His time is taken up in tilling the land for a living and carrying out the ceremonies imposed upon him by his religion and superstition.

Leaving the city by the Golden Gate, our boat sails along the smooth waters of the Pacific and after visiting such ports as Manila, Yokohama, Shanghai, Hongkong, etc., docks at Calcutta, the metropolis, in the province of Bengal. Here we see ships at the mouth of the Hoogly, a branch of the sacred river Ganges, flying flags of many nations, all bringing manufactured goods of all sorts, including old newspapers by the tons and loading jute, raw cotton, spices and grains.

## COSMOPOLITAN

Calcutta, with its cosmopolitan population of over two and a half million is the second largest city in the former British Empire, second only to London. It has many interesting places to occupy the time of the tourist. As we walk through the streets we see magnificent modern buildings occupied by large business firms. To give it an oriental touch we find little niches about four feet square in front of these buildings where the little Indian sits in front of many brass pots, selling cigarettes, cigars, spices and the inevitable "pan" (beetle nut). This concoction is made of pan leaves, beetle nut, tobacco, spices and lime, and is chewed by about ninety percent of the people in India.

The most interesting and picturesque street in this city is Chowringhee Road which is several miles long. It is unique in having buildings only on one side. The other side is a huge space covered with lawns and gardens and public buildings. The street car along this street goes to many interesting places. One of them is marked "Kali Ghat." As we are interested in things native, we pay our fare of about two cents and get into the "First Class" compartment. The second class costs only one cent and the poorer class ride in it.

The seats are all packed with humanity and only standing room is available. It is very hot and steamy. After a fifteen minute interesting ride we get off as the street car reaches its destination. As we approach the temple we see myriads of specimens of humanity, the blind, the maimed, the leper, the mother with the deformed baby, etc., lining up both sides of the street for several blocks, depending upon the mercy of the devotees and the tourists for their living. There is a peculiar odor also that does not appeal to the aesthetic sense of the westerner. Cleaving through the crowd we reach the temple proper. At the gate we meet the vendors of flowers of many colors and pungent odors, which are bought by the devotees to be used in their acts of worship.

## DESTRUCTION

Kali Ghat—"Place of Kali"—is the root-word of the name Calcutta. Kali is a Hindu goddess, wife of the great god Siva, whose attribute is destruction and thirst is for blood and death-sacrifice. Kali has thousands of temples throughout India, great and small. This one in Calcutta is the largest and the most frequently visited temple.

As we enter we see a high platform, roofed and pillared, approached on three sides by tiers of steps of its own length and width. At one end is a deep, semi-enclosed shrine in which, dimly half visible, looms the figure of the goddess. Black of face she is, with a monstrous lolling tongue, dripping blood. Of her four hands, one grasps a bleeding human head, one a knife, the third, outstretched, cradles blood; the fourth, raised in menace, is empty. In the shadow close about her feet stand priests ministrant.

On the long platform before the diety, men and women prostrate themselves in supplication. As we go around the shrine we see a hole in the wall leading to the floor where the goddess is standing. The priests pour 'holy' water obtained from the sacred river Ganges on the feet of the diety. The crowd outside is anxiously waiting to catch a few drops of the precious water. For, according to their belief, it has miraculous power and will cure many diseases, will help barren women bear sons to their husbands, bring prosperity, and do the impossible.

Right across from the waterhole is the sacred tree to which many strings, representing prayers, are tied by devotees, usually women, with the hope of gaining favor of their husbands. (Continued Next Week)

## High School Council Heads 'March Of Dimes' In Local Area

A total of \$702 has been turned in so far for the Campbell area March of Dimes, according to George Egling, Dean of Boys at the Campbell Union High School who is serving as faculty adviser for the high school council. Members of the council are in charge of the entire Campbell area and are responsible for the contacting of different organizations, the putting out and collecting of the store containers, and in the various school collections.

Heading the project is Bruce Abernathy, president of the student body and Marvin Scarper, student manager. So far the drive put on by the Cambrian students has netted the largest proceeds, with \$300.67 being turned in. Other school figures include Campbell grammar school, \$112.07, Moorpark school \$60.65 and the Campbell high school, \$180.81.

Organizations contributing include the Sigma Sigma, \$10; Kiwanis club, \$27.33, and Jobs Daughters, \$10. Members of the Fidae group, the high school Tri-Y under the direction of Miss Kathleen Bull collected \$33.55 the first part of the week in a house-to-house campaign in the western part of Campbell.

This is the third year that the high school council has had charge of the project, and figures prove that they have done an efficient job. The highest sum collected in

## \$46,188 Bid On High School Rooms Awarded Swenson

Carl N. Swenson was awarded the construction of a six-classroom unit for the Campbell Union High School Board of Trustees at a special meeting Wednesday night. Swenson submitted the low bid of \$46,188. Other bids ranging up to \$55,000 were received.

## Anti-Annexation Petition Thrown Out

Cambrian School students have topped other schools in the area in their March of Dimes drive this year, raising a total of \$300.67 during the school drive and in house-to-house soliciting in the community. Sixth graders, led by their teacher Mrs. Barbara Patrick, spearheaded the drive, collecting contributions each morning of the drive. A big thermometer in the school cafeteria gave the room-by-room drive standings. As a class project the sixth graders made pos-

ters, wrote slogans and publicity stories to further the campaign. In the top photo Mrs. Patrick receives collections of the pupils. Left to right—Anthony Pedrazzi, Terry Boone, Marcia Smith, Mrs. Patrick and Daphne Gomes.

Lower — Principal Delos Bagby gives a "well done" smile to Terry Boone for his work in the drive, while Marcia Smith stands ready with another ample contribution.

## Deputies Seek Thwarted Assailant Who Struck Young Campbell Girl

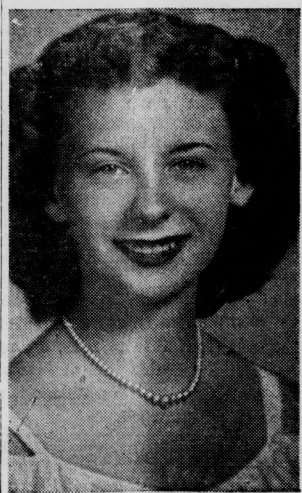

A 17-year-old Campbell girl was the target of an unknown assailant Saturday night. She was hit on the head with a metal object when she eluded the attackers' grasp, according to the Santa Clara County Sheriff's Office.

The young girl suffered a large bump on the head and is reported to have been hospitalized with possible brain concussion. Scene of the assault was the vicinity of Dahl Real Estate Office at 206 E. Campbell Avenue. At approximately 7:40 p.m., the girl said, she walked by the real estate office, and a man jumped out of the dark from the adjacent parking lot.

The young girl, Patti Saunders, 19, daughter of Mr. and Mrs. Rex K. Saunders, was hospitalized yesterday at O'Connor Hospital. Her mother said the popular young girl was suffering from nervous reaction, shock and a terrific headache, which may mean slight concussion. It is believed that the girl escaped even more serious injuries from the blow because she had put her hair up in curls and was wearing a silk scarf over her head. According to her mother, the attack occurred shortly before 7:30 p.m., as she was passing the parking lot between the Campbell Press and the real estate office.

The assailant appeared from the parking lot, the girl believes, struck her, then attempted to grab her to strike again. He grasped the shoulder of her coat, but the bulky shoulder pads interfered with his grip, and Patti managed to break away.

Sheriff deputies reported that the man made an attempt to grab his intended victim. When she jumped back, the assailant hit her on the head with a pipe with a knob on the end.

Patti Saunders

The stunned girl hurried to Clark's Pharmacy to elude the pipe-wielder. She was nervous and upset, claiming that the man had followed her to the local drug store. A girl attendant at the pharmacy ran outside and reported that she saw a man hurrying toward the railroad tracks at the eastern end of Campbell.

Authorities are investigating the clues available on the incident. Deputy Sheriffs Leo King and Bill Mollison are working on the case.

## PG&E BUILDING NEW CAMPBELL AREA GAS LINE

Additional natural gas will be supplied to Los Gatos, Campbell, Saratoga, Cupertino and surrounding areas by a \$170,000 high-pressure main which is now under construction, according to T. W. Snell, San Jose division manager of Pacific Gas and Electric Company.

Tremendous growth in demand for gas has been experienced during the last two years in this area, in which more than 60 new subdivisions have been developed, Snell said.

The new main is a 10-inch line 6 1/2 miles long which will connect at the intersection of Tully and King Roads southeast of San Jose with PG&E's Kettleman Hills-Milpitas transmission main. The additional gas will be fed into the existing San Jose-Los Gatos 6-inch main through a connection at Dry Creek Road between Hicks Avenue and Meridian Road.

The construction crew at present is working back from Dry Creek Road toward a junction with a four-mile section of line already laid from Tully and King Roads. The line and necessary regulating equipment are expected to be completed within a month or six weeks.

A district pressure regulator will be built at Lincoln and Turner Avenues, feeding the four-inch high-pressure main on Lincoln Avenue, to serve as the main source of supply for the Willow Glen area. A regulator also will be installed at the Dry Creek Road connection with the San Jose-Los Gatos main.

## Bradley Annexation Election Set For February 23 By S. J. City Council

Suit will be filed February 6 before the Santa Clara County Superior Court by the anti-annexationist factions in the Bradley Manor issue to force the City Council to show reasons for their throwing out the names of property owners signing the petition against the annexation of the Bradley Manor district by San Jose.

## Buried Anybody Recently?

Is your jacket shedding splinters? Did you succumb to winter's icy blasts—and lift a coffin for a coat, or maybe for some kindling?

For shame. A coffin's gone, and there was nobody in it. All empty it was, when it was lifted Thursday night, from its pose against the cashier's box at the local movie palace. The coffin was average size.

Whodunnit? We dunno, but it happened last night between 9 and 9:30 o'clock, and Campbell Theater Manager Harold Donner wants it back. They have to burn a woman alive in it Saturday night, so hurry. There's a suitable reward, too.

Yes—burn her, we said. It's part of the horror show there.

## Moorpark Faculty To Present Magic Show Here Friday

Mystery and magic will reign on Friday evening, February 10, at Campbell Grammar School auditorium when the "Wizard's of Aha's" present a magic show sponsored by the Moorpark school faculty, with the curtain scheduled to go up at 7:30 p.m.

Miss Marie MacDonald is chairman of the affair.

Petitioners' names were rejected by the City Council Tuesday on the grounds that the owners of a majority of the separate parcels of property had not signed the petition. According to information secured from former City Manager O. W. Campbell, a thorough check of the full list of names was not made.

Attorney John M. Burnett, counsel for the opposition faction, stated that he will prove before the Superior Court that it is legal for a husband and wife, where joint tenancy of property is concerned, to sign the other's name to a petition.

He will also prove that the Council did not make a thorough check of the 746 parcels of property whose owners signed petitions opposing the annexation election, and that if such a check had been made, it would have been discovered that the reason for only one name appearing opposite several designated parcels of property, originally held in joint tenancy, is because one of the owners is deceased.

February 23 was set by the City Council for the annexation election after an unanimous vote by the councilmen rejected the petitions.

While appearing before the Superior Court Monday, Attorney Burnett will also seek to have the election postponed until after the suit is settled. In the event that the election goes ahead on February 23, and the Superior Court finds that the petitions are valid, election results will be declared void.

## Eden-Williams Corner Out; Drive-In May Be In Line of Route 5 Freeway

Commercial development proposals for properties at the southeast and southwest corners of Eden Avenue and Williams Road received the red light Wednesday when the County Planning Commission denied requests of two applicants for rezoning in the area.

Petitions of J. H. Rodda and San Jose Abstract and Title Company for the southeast corner, and Y. Archibald for the southwest corner, had been under study following public hearings conducted by the planners. Rodda asked C-1-H zoning, and Archibald asked C-2 zoning. Both corners are now classified under residential R-1-B-D zone. Denial of the petitions was based on commission findings that the shopping center developments would create adverse traffic conditions at the intersection and, further, that Williams Road figures as a main road in the master plan for future development of the county.

Two other local zoning matters were taken under advisement by the commission. These were the petition of Jack and Elsie Bond to reclassify northwest and southwest corners of San Jose-Los Gatos Road and Elliott Avenue, and petition of J. M. Reiter for reclassification of the northerly extension of McGlincey Lane as it runs off Casey Road.

The Bonds ask C-2-H zoning on the 6-lot, 8-acre tract in the Elliott Subdivision where they plan to erect a shopping center. Architect Gifford Sobey appeared with Bond at the hearing. Opposition to the plan was registered by Adolph Leibfritz, W. H. Silker and J. W. Wayne. The petition was taken under advisement for further study by the commission.

ROUTE THROUGH THEATER In the Reiter matter, a drive-in theater is proposed by applicant, and opposed by a considerable number of Cambrian residents, particularly the Cambrian Men's Club.

Club spokesmen and other residents have been on hand for the two public hearings on the petition and have registered opposition on grounds the theater would create traffic hazards, fire hazards and undue noise nuisance. One resident, Ray Brown, said the theater, on the eight-acre tract, would be detrimental to the health of his wife who is ill.

Decision on the matter was delayed pending receipt of news from the State Division of Highways on the location of the proposed Route Five, extension of the east bayshore freeway which may cut through the property. DENIED

Application of Betty Sisson for adjustment in zone provisions on Lot 33, Tract 497, at the southeast corner of McArthur Avenue and Ginger Lane was denied on grounds that no need has been shown and the proposed adjustment would have an adverse effect on property in the immediate vicinity. She asked extension of an R-H-3 zone into an R-1 zone.

Approval was registered by the board on request of the Campbell Congregational Church to make additions to the existing church structure on the west side of N. Central Avenue between Campbell and Grant Avenues. The small addition would be at the rear of the building. Withdrawn, following inspection of the building by the County Fire Chief and County Building Inspector, was application of Robert L. Kline for a use permit to maintain a rest home at the southwest corner of the Pine Avenue-San Jose-Los Gatos Road intersection. The structure was found unfit for use as a rest home for ambulatory patients.

ADJUSTMENT

Rose E. Hangar's application for rezoning was found to be a matter of an adjustment in zoning, and two public hearings were set for the matter. These will be on Wednesday, March 1 at 2 p.m., and Wednesday, April 5, at 2 p.m.

Applicant asks amendment of Sectional District 10-Y of the Eleventh Unit of the Zoning Plan to reclassify property between North Union Avenue and San Jose-Los Gatos Road opposite Cambrian Drive from R-1-A-B-D and R-1-B-D to a C-1 commercial zone.

## Rose Nakagawa and George Furuichi On Honeymoon After Los Altos Rites

Rose Nakagawa, daughter of Mr. and Mrs. S. Nakagawa of Campbell, and George Furuichi are on their honeymoon in Southern California following their Sunday wedding at 2:30 o'clock in the Los Altos Union Church.

The Rev. T. D. Landels, pastor emeritus of the church, officiated at the ceremony. Traditional white satin was chosen by the bride, who carried a bouquet of white orchids and bouvardia.

Attendants were Ellene Sato, maid of honor, and Amy Nakagawa, her sister, who took the role of bridesmaid. Flower girl was Georgette Omi of San Francisco. They wore pink, blue and yellow satin frocks and carried bouquets centered with lighted candles.

Best man was Roy Hamasaki, while brothers of the bride and groom, Frank Furuichi and Tom Nakagawa, were ushers. The bridegroom is the son of the late Mr. and Mrs. Frank Furuichi and has made his home in Los Altos, where he is a partner in the family nursery business. He served in the European theatre with the army during the war.

Mrs. Masa Arii sang several selections accompanied by Mrs. Merle N. Job at the organ. A reception and dinner was held at Longbarn following the ceremony.

## Legion Auxiliary Initiation Set Sewing Circle Has

American Legion Auxiliary, Unit 596, will meet next Wednesday night at 8 o'clock in the Campbell IOOF Hall. Initiation of new members has been scheduled. Refreshments will be served by the committee.

## Travel Motif Marks Cambrian Club Gathering

Cambrian Home and School club met February 1 in the school auditorium for a 1:30 p.m. dessert luncheon. Travel posters decorated the walls and the tables were centered with miniature trains, planes and ships. The speakers' table held a large model freighter.

The orchestra, directed by Paul Lozar, entertained with several numbers, and the Fifth Grade choir sang travel songs. The program was concluded by Mrs. Violet Pomeroy's fascinating report of her trip to Europe this past summer.

A short business meeting was conducted, during which the following plans for raising money were discussed: a community party to be given by the Cambrian Men's club and the Home and School club, sponsorship of a play presented by the Footlighters of Campbell, passing around a traveling basket among members, and the fourth suggestion, a fashion show.

In addition to landscaping the school grounds, the club hopes to raise money for musical instruments for the school orchestra, and a piano for the community youth center.

Hostesses at the meeting were fifth grade mothers.

Next club meeting will be Wednesday, March 1, at the school.

## Campbell Chapter Of OES Installs Officers For Year

New by-laws were drawn up by a committee and accepted and 1950 officers were seated when the Campbell chapter of the OES Star Circle held their monthly meeting Wednesday, January 25, at the home of Sue Miller on San Jose-Los Gatos road.

Heading the officers for the new year will be President, Ella Elky. Other officers-elect include Ellen Tutt, vice president, and Marie Peterson, secretary-treasurer. The retiring 1949 officers, including President Mae Hartwell, Martha Wood and Cora Kaufman, complimented the 1950 officers upon their election to the top three positions of the OES here.

At the Wednesday gathering, Bobbie Schaper was appointed chairman of a sunshine committee. Next regular meeting of the group will be February 24 at the 125 North Winchester Road home of Mae Hartwell. Assisting the hostess will be Thelma Aker, Bobbie Schaper and Marjorie Mitchell.

Those attending the January meeting were Margaret Parr, Evelyn Rice, Marie Hendricks, Evelyn Buck, Mae Hartwell, Marie Suess, Clara Baldwin, Thelma Aker, Ellen Tutt, Mary Blair, Martha Wood, Grace Coombs, Claudine Hancock, Sue Miller, Maud Douze, Luella Ryan, Margorie Mitchell, Bobbie Schaper, Eleanor Schaeffe, Marion Stoner and Helen Givens. Also present were Virginia Currie, deputy grand matron of the 99th district, and Ellen Arnold, worthy matron.

## High School PTA Plans Program On Founders' Day

Past presidents will be honored at the February Founders' Day meeting of the Campbell High School Parent-Teacher Association to be held Wednesday, February 8 at 2:30 in Buc's Cove. A life membership pin will be presented at that time.

Guest speaker for the gathering will be Mrs. Jessie Shelley, who was president of the unit during the 1923-24 term. Mrs. Ray Woods will be chairman of the day. Refreshments will be served at the close of the meeting.

All executive board members are asked to meet in the office of Laurence J. Hill at 1 p.m., February 8.

## Job's Daughters To Hold Initiation

Miss Pat Gould, who celebrated her birthday in January, was presented a cake by members of Bethel 174, International Order of Job's Daughters, when the group held its regular meeting this week at IOOF Hall in Campbell.

All members of the group joined to congratulate the young lady by singing "Happy Birthday." Members having birthdays in February will be honored at the Saturday evening, February 11, meeting.

The next gathering will mark an official inspection by Deputy Grand Guardian Virginia Currie. At this time some eight girls will be initiated into the order. Meeting time is 7:30 p.m. and the girls would appreciate the support of their parents and all persons of proper Masonic relationship.

Tea guests at the home of Mrs. J. B. Arends, Jr., last week included Mrs. Hazel Thorne of Richmond, Indiana and her daughter-in-law, Mrs. John Thorne of Santa Clara and her two granddaughters, Erica and Theresa. Mrs. Hazel Thorne, who is presently visiting her family in Santa Clara, taught school with Mrs. Arends' mother several years ago.

Off for an extended leisurely vacation trip are MR. and MRS. W. C. BRYANT, who left yesterday by car and house trailer for Arizona. Mrs. Bryant, who was injured in an auto accident last fall, is still on crutches, but reports she is much improved.

**RICHARD FIELD**, son of MR. and MRS. CARL B. FIELD of 99 No. Second Street, has been initiated into Kappa Alpha, national fraternity, at San Jose State. He is a sophomore majoring in business.

Flautist **KATHERINE FULLER** of Campbell appeared in concert Tuesday night at the Montgomery Theater, San Jose Civic auditorium. The concert was presented by Phi Mu Chapter of Mu Phi Epsilon and Beta Eta Chapter of Phi Mu Alpha-Sinfonia, national honorary music sorority and fraternity. Others of the two groups who appeared in concert were vocalists and instrumentalists.

**MRS. CORWIN H. OLDS** has returned from a ten-day visit to southern California and Mexico. On her return she was accompanied by Miss Margaret Rinkenbach of Maine, and Miss Elizabeth McKeon of Rochester, N. Y., who left Wednesday to sail for Honolulu.

**WAYNE J. FLICKINGER** of Campbell has been initiated into Sigma Delta Chi, national journalism fraternity. Flickinger is attending Northwestern University's Medill School of Journalism in Chicago.

**MRS. EARL BUCK** entertained Monday at a canasta luncheon at her home for twenty of her friends. Acting as co-hostess for the delightful affair was Mrs. Ray Flagg.

The L. J. BENSON family has been confined to their home with the mumps during the last week. Mr. and Mrs. Benson and Bobby all were sufferers.

**MR. and MRS. TOM BURNETT** visited with Mrs. Kay Olness Sunday in Redwood City. Mrs. Olness is Mr. Burnett's niece. Mr. and Mrs. Burnett also plan to visit the Gift Show in the city next week.

A group of a dozen ladies dropped in on MRS. LUELLA WHITNEY at her 96 East Rincon Avenue home on January 29 as part of a birthday surprise. The ladies took possession of the kitchen and prepared dainty refreshments which they had thoughtfully provided. One of the gifts presented to Mrs. Whitney was a beautiful cake, which the hostess took the honor of cutting.

**DR. CHARLES A. SHORT JR.**, son of Mrs. Charles A. Short of 22 Alice Way, Campbell, and the late Dr. Short, has opened medical offices in San Jose at 652 E. Santa Clara Street. Dr. Short recently completed four years of study and practice at the famed Mayo Clinic. He is the cousin of the late Dr.

**REV. DR. JOHN F. WILSON**, former pastor of the Campbell Methodist Church, underwent surgery in Stanford-Lane Hospital, San Francisco, last week, and is said to be progressing satisfactorily. Dr. Wilson is pastor of the Morgan Hill Methodist Church. Rev. Harry Pressfield of San Jose, former Morgan Hill pastor, is filling the pulpit in his absence. Dr. Wilson was pastor of the Campbell church from 1910 to 1913, during which period the present church edifice was built. Mrs. Wilson is a native of Campbell.

## GARDEN CLUB FLOWER SHOW SET FOR MAY

Campbell Garden Club met on Wednesday at the library clubrooms for a round-table discussion which was conducted by the club's president, Mrs. J. D. Cantoni.

Prior to the discussion, Mrs. Willard Smith of the Volunteer Service Bureau of Santa Clara County, with headquarters at the San Jose YWCA, spoke briefly to the members, asking for volunteers for all types of service offered through the bureau.

Mrs. May Prince and Mrs. G. H. Kolze reported on the district federation meeting of the California Garden Clubs held at San Lorenzo last Friday. Next Federation meeting will be in San Francisco on February 15 and 16.

Roll call response for the meeting was on ideas for the type of flower show to be sponsored by the club. The group voted to have two free shows a year, the first in May and the second in the fall, probably in October.

During the business meeting, the club voted to donate \$25 to the Campbell Volunteer American Legion Patrol.

Next meeting of the club will be on February 15 at 2 p.m. in the library clubrooms. Mrs. Prince, a club member, will speak on "Color and Design." All members are urged to be present to vote on revision of the club constitution.

## Country Woman's Birthday Tea

Valentines will be featured at the Monday, February 6, birthday tea of the Country Woman's Club of Campbell when the group meets at 2:30 p.m. in the library clubrooms.

Mrs. Henry Miller will talk on achievements of club women in the past, and Mrs. Carl Fields, a past president of the club, will review the accomplishments of the group.

Entertainment will consist of Mrs. G. H. Parker and Mrs. Earl Buck singing a duet, while Mrs. Peter Horn of Los Gatos will sing a solo. Other music on the program will feature Patty Saunders on her marimba.

Chairman of the tea is Mrs. Frank Coombs. She is being assisted by Mrs. Felix Bersano, Mrs. E. F. Ballot, Mrs. R. E. Shaeffe, Mrs. Margaret Parr, Mrs. H. E. Hansen, Mrs. Frank Hinricks, Mrs. J. C. Graham and Mrs. R. L. Root.

## Jean Dugan And Emil A. Anderson Exchange Nuptial Vows At Saratoga

Miss Jean Dugan, a former student of Campbell High School, and Emil A. Anderson Jr., became Mr. and Mrs. at wedding services conducted by the Rev. John C. Murphy in Sacred Heart Church, Saratoga.

Wedding ensemble chosen by the bride included a white gown with bouffant satin skirt and lace bodice, fashioned with long sleeves high neckline. Her gown was set off by a marquisette fingertip veil which was held in place by a marquisette crown. She carried a bouquet of bouvardia and white carnations.

### MATRON OF HONOR

Don Brookman, brother-in-law of the bride, gave the bride in marriage. Serving as matron of honor was Mrs. Van Clark who was attired in a rose-colored hampered satin gown with boat neckline. The matron had a matching muff trimmed with roses.

Secondary attendants included Miss Janet Giacomazzi and Miss Donna Leigh, both of San Jose. They chose gowns styled in turquoise satin, complimenting their outfits with matching muffs and roses.

Ralph Peterson of Oakland served as best man, while Frank Taylor of Sutter and Bob Snyder of San Francisco were ushers at the ceremony.

A reception followed at Saratoga Foothill clubhouse, where the young couple cut a five-tiered wedding cake. The bride's mother greeted guests in a wine colored crepe dress set off by an orchid corsage and black accessories. Mother of the bridegroom was attired in a rose-colored ham-ensemble and orchid corsage.

The new Mrs. Anderson changed to a cocoa dress, teal coat, brown accessories and white orchid corsage before the newlyweds departed on a Lake Tahoe honeymoon trip. She is the daughter of Mrs. Elva Dugan and late Thomas Dugan. The bride attended Campbell High, San Jose State College, and at present is a student at San Francisco State College. Mrs. Don Brookman and Mrs. Van Clark are sisters of the bride.

Parents of the benedict are Mr. and Mrs. Emil A. Anderson of San Francisco. He is the brother of Miss Elise Anderson and Mrs. Joseph Castelli of San Francisco. The groom graduated from San Jose State College.

## Noon Lunch To Highlight WSCS Executive Meet

A noon luncheon will highlight the Thursday executive board meeting of the Women's Society for Christian Service in the parish house of the Campbell Methodist church.

After the luncheon, the general society will meet with Mrs. Thomas Burke, president, in the chair. Handling the program is Mrs. Luella Ryan, while Mrs. Robert McCall will be in charge of the devotionals.

Members of the group are requested to submit overseas parcels if they have not done so already.

## Grammar School PTA To Observe 'Founders' Day'

Founder's Day will be observed Tuesday, February 8, by members of the Campbell Grammar School PTA with Mrs. Clarence Nelson acting as chairman. Theme for the program will be the difference in teaching methods then and now. Students will demonstrate the progress of teaching. Several musical numbers will be presented by the grammar school orchestra under the direction of Richard Gordon.

Fourth grade mothers will act as hostesses for the day, with Mrs. Lloyd Brown, president, presiding. The meeting will convene at 2 p.m. sharp with members of the executive board meeting at 1:15 p.m. in the teachers' room.

## Invitation By S. F. Symphony Given To High Orchestra

Campbell Union High School's 55-piece orchestra has been honored with an invitation from the world-renowned San Francisco cisco Symphony orchestra to attend a concert by the famed group in War Memorial Opera House Friday afternoon, February 10.

The invitation marks the initial time a high school orchestra in Santa Clara County has received this honor. Under the baton of Frank Triena, the Campbell orchestra was awarded the highest rating by judges in the California Music Festival in San Jose last year. The youthful organization was acclaimed by music educators.

Triena is the head of the music department and conductor of the 60 voices. The local musical group has appeared in several concerts and is scheduled to appear on a radio program.

## Campbell Grad Gets Married In San Jose

Dr. Mark Rifenbark read the double-ring marriage service when Miss Barbara Jeanne Wright, a graduate of Campbell Union High School, and George Edward Johnson exchanged wedding vows recently at a ceremony in Trinity Episcopal Church in San Jose.

The bride was attired in a slipper satin princess frock, which was designed with a sweetheart neckline, fitted bodice and long train. Secondary attendants wore identical peacock blue taffeta costumes.

### RECEPTION

After the impressive ceremony, the young couple greeted friends and guests at a reception held in Trinity Parish House. When Mr. and Mrs. Johnson departed for their honeymoon to Palm Springs and Southern California, the bride chose a gold taffeta costume, topped with a Spring green coat. She had black and gold accessories, completing this attire with a white orchid corsage.

The former Miss Wright is the daughter of Mr. and Mrs. Elmer C. Wright and is a graduate of the local high school and Heald's Business College. She attended San Jose State College.

Parents of the bridegroom are Mr. and Mrs. George W. Johnson, who make their home in Larkspur. The bridegroom graduated from Yuba City schools and saw three years of service with the Air Corps. He is the brother of Mrs. James Downie of San Anselmo and Mrs. Edgar Trickey of San Francisco.

Barbara Harrison of 170 Alice Avenue was the hostess Monday to members of the Aowakiya Group of Campfire girls who met for a business meeting followed by games and refreshments. The meeting was a part of the plan for the awarding of merits, each girl in the group having to plan successfully and act as hostess for a meeting. Barbara is the daughter of Mr. and Mrs. W. L. Harrison.

Mrs. David A. Baxter is guardian for the group assisted by Mrs. B. C. Rappe. Entertaining the group were Connie Gilbert who played the piano, Barbara Harrison, playing the piano, and Jimmy Lee Prout, who played the violin.

Members of the Luta group of Campfire Girls under the direction of Mrs. Floyd Noll met January 27 at the home of Janet Meckler to spend the evening working on their memory books. Co-hostess for the evening was Nancy Schraub.

Members present included Florence Edwards, Joan Farley, Joan Hollinger, Ellen Youngren, Gay Williams, Barbara Engle, Barbara Baumgartner, Marsha Poore. Unable to attend because of illness were Mary Lou Morgan and Gail Gerlach.

On February 15 the group plans to visit the mouse farm in San Jose. Plans are also being made for participating in the Old Settlers' Day parade. The girls meet every Wednesday.

## Volunteers Build Basketball Standards For San Tomas School; Landscaping Project To Begin On February 11

Basketball standards were constructed at San Tomas School last weekend, and they are to be installed this weekend, William Shuey, principal, revealed this week. The project, with full-size, regulation standards, was laid out and completed in two days by a group of volunteers aided by Cisternino Pump Company, which provided the pipe at cost and let the volunteers use the company shop.

Volunteers Ray Martin, Dave Swan, Axel Bondgard, James Morrison, Spencer Thorne and Jess Cummins built the standards at a total cost of \$175, less than half the \$400 it would have cost to buy the equipment outright.

Shuey said the school board of trustees also has allowed sufficient funds for purchase of additional playground apparatus, plus \$300 toward commencement of the landscaping project for the school grounds.

The school plans to hold a community work day on Saturday morning, February 11. This will be sponsored by the Parent-Teacher Association and the San Tomas Men's Club. Principal work will be erection of playground apparatus and planting of 60 trees, most of them Lombardy poplars which will be planted as a windbreak on the Allendale side. Other work will include painting of apparatus.

In addition to the trees, the school has received a donation of five Paul Scarlet rosebushes from the Campbell Garden Club.

## Campbell Men On Farm Center Drive Committee

Twelve Campbell area men attended the West Side Center membership drive meeting for the Santa Clara County Farm Bureau Tuesday at the Farm Bureau office in San Jose.

Chairman William Black of Los Gatos said the "Farm Bureau is serving all farmers in our community and it is the committee's desire at the meeting to develop a program whereby we can encourage every farmer in our center to become a member of our organization and to participate in its programs for the betterment of agriculture."

Those from here were Manuel Gomes, Norman K. Husted, Sam Manfre, George M. Leigh, J. C. Bagoye, Joe Conetto, H. W. Brydon, Clinton Hocking, Harold Hocking, Wilton A. Stine, J. W. Knowles, and Frank L. Steindorf.

## Grange Circulates Petition To Install Traffic Signal Lights At Intersection

Petitions for the installation of a stop-and-go signal at the intersection of Hamilton Avenue and San Jose-Los Gatos Road, State Highway 17, are being circulated in this area by the Orchard City Grange of Campbell.

The petition, for residents of Campbell and nearby vicinity, states that a heavy volume of traffic at this intersection warrants investigation by state authorities for the installation of lights. Goal of the Campbell Grange group is to obtain 2000 signatures on the petitions now circulating.

Orchard City Grange has instigated this proposal in conjunction with a National Contest for community betterment being sponsored by Grange organizations throughout the country. In addition to installation of lights at this intersection, Campbell Grangers will request illuminated road signs at strategic points on county highways for motorists desiring the proper directions to Campbell.

The petition will be submitted to the proper state and county officials having jurisdiction over this area, which is controlled by both the county and state. Final action on the petition will come from the State Highway Commission and Santa Clara County Board of Supervisors.

According to Atty. Martin S. Walsh, head of the Campbell Grange, the petition probably will not be presented to state and county officials until after the February 14 meeting of the Orchard City Grange.

Orchard City Grange went on record Tuesday in a resolution favoring a four-lane highway between Gilroy and San Jose. The Santa Clara County Board of Supervisors received the resolution by mistake and instructed Clerk Richard Olson to notify the Grange that the County has no jurisdiction over the highway between Gilroy and San Jose. However, copies of the resolution are to be forwarded to the Santa Clara County Pomona Grange, State Highway Commission, and other state authorities.

Two third of the nation's population lives East of the Mississippi.

The first phases of the Central Valley Project involve almost \$500,000,000 of water, power and flood control works.

## Social Workers At Seminar Find People In Trouble May Not Reason Why

The Mental Health Service-sponsored seminar for social workers met last month to continue discussion on "The Importance of the Single Interview" in case work. Mrs. Claire Smith of the County Welfare Department presented an interview with an adolescent girl who was unaware of the extent to which her behavior was causing difficulty for her and for her family.

In the following discussion, led by Dr. Fred Bradshaw, Service psychiatrist, fifteen social workers took part. They represented the U. S. Veterans' Administration, welfare departments of Santa Clara and Santa Cruz Counties, Catholic Social Service, American Red Cross, Juvenile Probation Department, and the Mental Health Service of Santa Clara County.

### CLIENT COOPERATION

It was agreed that social workers are trained to pick out the situations and conditions in a client's life that may create social or personal problems. However, unless the client feels these situations or conditions as problems, the worker's social diagnosis may be of little value. The worker can not force a client to recognize what he cannot see.

In some way, agreement between the worker and a parent or marriage partner that another member of the family has a problem will be of little help to the person directly involved unless he sees what it is that causes him to be "in trouble."

The seminar meets once a month as part of the educational program of the Mental Health Service of Santa Clara County, a county-wide agency operating without county tax support. At the present time the service is also conducting a course for county public health nurses, and offers similar services to other groups. Headquarters of the Service are in the Porter Building in San Jose.

## AFA Squadron To Hear Talk By Area Commander

All Air Force Reserve personnel or former members of the Air Force are urged to attend the next meeting of the San Jose Squadron, Air Force Association, Tuesday night, February 7, at 8 o'clock in the Ste. Claire hotel, San Jose.

Bernard Barrett of Campbell, squadron commander, said that Lt. Col. Maurice Martin, USAF, San Jose Area commander of the newly formed 9367th Volunteer Air Reserve Training Squadron, will be the guest speaker. He will speak on the new reserve program of the Air Force, its expanded program and many benefits.

Men who participate in the reserve program will receive credits toward maintaining their status in the Organized Reserve of the Air Force.

On the agenda of this meeting is the nomination and election of new squadron officers for the fiscal year 1950-51.

## Annual Report Of Local Fire Dept. Released By Chief

Estimated losses as result of fires was only \$28,333 out of a total of \$94,900 of property covered by the Campbell Volunteer Department during 1949, according to the annual report of Campbell Fire District submitted by Fire Chief Jack B. Scott.

This is only one of the numerous achievements of the volunteer group, which does not receive any funds for their services. Under Chief Scott, the local firemen answered 15 fire calls, 4 still alarms and 4 false alarms during the period from January 1, 1949, to January 1, 1950.

Two people can thank the Campbell Fire Departments' resuscitator squad for saving their lives. The resuscitator group saved these two lives, but in their third call during the year the person was dead upon the firemen's arrival at the scene. To 21 burning lot fires with an average of 21 lots, to rid the area of fire hazards. An average of 14 firemen responded to duty each time the local fire department was called into action. According to the report, burning permits were issued to 35 persons, and 15 violations were suppressed by the local group.

Fire Chief Scott reported that 2250 feet of 2 1/2 inch hose along with 200 feet of 1 1/2 inch hose was put into service during fire-fighting operations. Figures do not lie and conclusively show that the Campbell Volunteer Fire Department has done a good job and should be commended for their untiring services in the time of need.

## Legion Asks For Traffic Control

Letters have been sent to the Santa Clara County Supervisors and the County Planning Commission by the Campbell Legion Post 596 asking that the hazardous traffic condition at the intersection of Campbell Avenue and Winchester Avenue be eliminated.

Text of the letter is as follows. "The membership of this organization have interested themselves with the elimination of a hazardous traffic condition which exists at the intersection of Campbell Avenue and Winchester Avenue in the town of Campbell.

"We have not at any time made an accurate survey of traffic conditions at this intersection, but our general observations show that there has been a definite increase in the flow of vehicular traffic in all directions which at times causes considerable delay and congestion as well as some minor collisions.

"During school days, students use this intersection throughout the day and often large groups cross through the flow of traffic. This situation has been alleviated to some degree by stationing of an adult attendant, however, this condition does exist at times when he is not on duty.

"Standard Highway STOP signs have been erected at all four approaches to this intersection, but these are often disregarded and at times have been run down.

"SCHOOL ZONE notices have been erected on all approaches, but speed limit signs are lacking. "We believe the erection of suitable 'Automatic Traffic Control Signal Lights,' and 'Highway Traffic Speed Limit Signs' will assure a greater degree of safety, speed up the flow of traffic, and eliminate traffic congestion.

"In view of the foregoing we respectfully request that an investigation of the facts be conducted by the County Board of Supervisors or their agents to ascertain the need of traffic control and added pedestrian safety precautions at this intersection, and that the findings of this investigation together with the recommendations of the County Board of Supervisors be forwarded to this organization, and that it also be published in the local 'Campbell Press'."

## Rotary Club Hears Carey Describe O.S.S. Experiences

Campbell Rotary Club members heard Thomas Carey of Los Gatos describe his interesting experiences with the Office of Strategic Services in the United States and in Burma at the Monday meeting of the group in IOOF Hall.

Carey entered the U. S. Army in 1942 and became a member of the infantry. He was selected and trained for the newly-established O.S.S. organization at Washington D.C., and followed this with more rigorous training at Catalina Island.

At the completion of a highly-specialized course, Carey was sent deep into the Burma jungle, where the O.S.S. established and operated a radio station. Their role here was espionage duties for advance allied agents.

Among the accomplishments of the O.S.S. contingent at this remote radio station was the printing plant there. As a result of the money production, the O.S.S. was able to destroy the value of Japanese invasion currency.

The guest speaker at Monday's gathering remarked that the Office of Strategic Services has been attached to the State Department in recent years.

Scheduled to appear at the Monday, February 6, meeting of the Campbell Rotary Club is Vice-Admiral Charles A. Lockwood, U. S. Navy, Retired. Lockwood served as Commander Submarines, U. S. Pacific Fleet, during World War II.

## Campbell School Awarded Funds For Fire Safety

Campbell Union School District was granted \$8946.04 by State Allocations Board Wednesday for alterations in the Campbell Grammar School building so that the structure can meet present fire regulations.

The allotted sum will be matched by state money from the Reconstruction and Employment Act funds awarded by County Supervisors in 1947. Application for the grant was made in November, 1949.

Changes in the building will include complete re-wiring of the main building, fire-vent over the stage, a sprinkler system, new exits in cafeteria and auditorium and panic bolts on doors. Campbell Grammar School was first occupied by students in February, 1922, and present facilities have become obsolete since that time.

According to District Superintendent William C. Henley, the major part of the job will be completed during the summer and will enable the building to fulfill current requirements of the State Fire Marshal. Henley said that contracts for the work will be awarded in the spring.

## Local Jaycees To Sponsor Pancake Sale For Scouts

## Campbell Dogs Take Honors At Golden Gate

several awards were presented entries of local dog owners in the Golden Gate Kennel Club show January 28 and 29 at the San Francisco Civic Auditorium.

Mr. and Mrs. Lawrence Garcia of N. Central Avenue entered two Great Pyrenees. Milfra's Gran Blanca Carlena took her four points and was awarded best of opposite sex. Carlena now has 13 points toward her championship.

The Garcia's second, Don Juan of Lucky Lady Ranch took the puppy dog, 9-12, classification.

Other entries and awards were: Virginia H. Ammon's Dalmatian, Chief Velvet and Lace of Kal Dal—champion parade; Valiant Lace of Kal Dal—puppy dog, 6-9, blue ribbon (first).

Theresa G. Artellan's Great Pyrenees, Milfra's Gran Blanca Consuela; Mr. and Mrs. J. C. Carson's bulldog, Griff's Kit Carson—Dunrevin's Bronze Medal, Dunrevin's Blonde Vixen; Phyllis O'Hanlon's bulldog, Zere Terre Tamania.

Mr. Garcia states that "this is the largest showing of Pyrenees on the Pacific Coast. Ten were entered and all reported for show. This is the first chance Carlena has had to win her major shows, a requirement specified by the American Kennel Club that all dogs must win two major shows. A major show constitutes three or more points. Fifteen points are required to make champion and, where the breed is not plentiful, it is difficult to make the regulation major show points."

The Santa Clara County Kennel Club Show is slated for April 2 at the fairgrounds, and all the above dogs will be entered in the show.

## Garden Club Adds \$25 To Patrol Fund

Receipt of a \$25 donation from the Campbell Garden Club was announced yesterday by Jack Chappell, Legion Patrol captain. Chappell expressed appreciation for the donation which will aid the patrol in carrying on its volunteer law enforcement services in behalf of the community.

Further donations are needed if the legion patrol is to carry on its activities. The men have been supplying their own cars, gasoline, sidearms, uniforms, time and other equipment in this necessary work. They have given freely of their own time and money and they receive no pay. The financial drain on their resources is becoming too great for their own pocketbooks. A few donations have been contributed, but considerably more will be necessary.

Letters have gone out to local residents advising them of the need for these funds. The patrol states that it will continue to serve on an unpaid volunteer basis, but that contributions are needed for expenses of the patrol work.

## Tree Blaze At Methodist Church

Campbell Volunteer Firemen wrote finis to a fire within four minutes after the alarm sounded Wednesday at 3:20 p.m. The fire was half a block away at the Campbell Methodist Church, corner of First Street and Campbell Avenue, where a palm tree at the First Street entrance had been ignited.

First to notice the smoke rising from the tree was Lloyd Nelson of the Nelson Grain Company on the opposite corner. He ran over with hand fire extinguishers. Meanwhile, Henry Sanfilippo of Hank and Joe's Liquor Store turned in the alarm, and two fire trucks rolled within one and one-half minutes.

Due to fast work on the part of Nelson, Sanfilippo and the firemen, the fire caused no damage other than to burn the fuzz on the tree; however, the tree stands against the side of the church and the fire could easily have become a blaze of major and costly proportions.

Firemen who responded to the alarm were Asst. Chief Quilo Scott, Capt. Volley Garner, Sal Lipari, Hans and Rass Nielsen, Lloyd Zimmer, Jack Chappel, Harley Johnson, Seymour Wirth and Henry Sanfilippo.

The first truck completed its work and headed back to the fire station in four minutes after the alarm sounded. The second truck left a minute later. Firemen indicated the fire was probably caused by a cigarette tossed by a passer-by.

## Olympia Tract Approved In Spite Of Protests

The Olympia Tract subdivision in Cambrian district was accepted Monday morning by the Santa Clara Board of Supervisors in spite of protests of residents in nearby areas, who stated that flood waters from the Olympia Tract were damaging to property in the Ellen Acres tract and others.

Approval of the Olympia Tract was made by the Supervisors on the grounds that the subdividers, Louis and Olympia Battilocchi, have complied with all subdivision ordinance and once the plans are approved by the Planning Commission, the by-laws of the Board of Supervisors state that they do not have the authority to stop action.

County Surveyor Robert B. Chandler is currently planning a storm drain to be installed under Casey road to help relieve the flood conditions in the tract. Mrs. Amye Roberts of 796 Erin Way headed the residents who complained about the subdivision.

## Scouts Presented Movie Tickets To Campbell Theatre

Manager Harold Donner of the Campbell Theatre, acknowledging the traditional good deeds of the Boy Scouts of America, awarded free movie passes recently to outstanding scouts of Troop 31.

Scoutmaster duties of the troop were taken over last week by Donald Crawford, Mr. Crawford, a veteran of the U. S. Marine Corps, has been active with the Boy Scouts and YMCA for many years. Movies, consisting of one comedy and two sport reviews of 1949, will be shown at the next regular meeting by Mr. Hans Nielsen.

Some 15 boys will make the annual troop 31 snow trip to Slide Inn on February 11, 12 and 13.

## Plans \$500,000 Expansion Plan

A permanent stage for the Cambrian School auditorium, plus a cafeteria building to adjoin the opposite end of the auditorium are currently under construction at the school plant where future expansion plans call for 16 new classrooms, administrative offices, homeliving classroom, shop, storage, and corridors, Principal Delos M. Bagby stated this week.

When the board has completed study of school needs, they will seek assistance under the school aid funds provided by Proposition One on the election ballot last November. It is estimated the school will ask allocation of between \$300,000 and \$500,000 to meet expanded enrollment requirements.

The present \$60,000 project is being handled by Contractor Earl W. Heple, Architect was Charles E. Butner. Harry Lincoln was the designer.

Although the cafeteria is included in the present work, it will be used for classrooms until later additions of classrooms release the building for its intended use as a cafeteria, Bagby said.

## Water Film Shown To Kiwanis Club

"Clean Waters," was the title of the film shown Tuesday to members of the Campbell Kiwanis club by Martin Lewis, who is connected with the Sales Department of the General Electric Company. Beautiful colored scenes of water views were shown and also how many natural water sources were polluted. Views were also shown as to how the polluted cases were cleaned for further use.

Visitors for the meeting were Joseph McKinnon and Andy Anderson of San Jose and Jack Shmidt of Campbell. Student guest from the Campbell high school included Bill Cockey and Julia Haggard who were introduced by D. H. Cramer and Coach Ralph Noddin.

Fred Jones, vice-president of the club, acted as Master of Ceremonies. Larry Hill will serve as chairman next week with the subject being the 40th anniversary of the Boy Scouts.

Business discussed during the meeting centered around endeavor to obtain a stop sign at Hamilton Avenue and San Jose-Los Gatos roads.

## Blood Bank Visit Due For Campbell On March 29

Next visit of the mobile unit of the Regional Blood Bank has been set for March 29, at Campbell, according to an announcement received today by Budd Levenberg, Campbell blood procurement chairman.

Levenberg urged all those who wish to give blood to make plans to visit the mobile unit that day. He pointed out that several calls have been received in recent weeks for blood plasma in the Campbell area. The blood bank has handled these requests, he said, and more donations will be needed to meet these withdrawals.

The receiving center probably will be located at the Methodist Church parish house again this time.

## Grange Receives State Chairman Of H. E. Clubs

Mrs. Mabel Glenn, Home Economics chairman for the State Grange, was a special guest at the regular semi-monthly session of Cupertino Grange 739 Friday at the IOOF Hall. She was escorted to a seat of honor beside the worthy master.

Seated in other places of honor were Master Martin S. Walsh of Orchard City Grange, and Master Frank Bishop of Mt. Hamilton Grange. Other visitors were Mrs. Mae Walsh and Mrs. Sarah Bishop wives of the above Grange masters, also Manuel and Silvina Furtado, Lehas and Cordie Hannah of Mt. Mamliton Grange and Allan (Pete) Lindsay of Coyote.

Mrs. Glenn gave a talk on the work and projects of the State Home Economics clubs. Mr. Walsh and Mrs. Bishop spoke briefly during the meeting.

At the request of the lecturer, members voted to end the attendance contest at the first meeting in June. The Red team of Worthy Master Sheffer took a slight lead in the contest, but it is hoped the contest will be a close one until the closing date.

Howard Page reported on the poultry committee work, and Paul Bean read an article about Teddy Roosevelt and Teddy Bears for the literary committee. A clipping was read by Florence Sheffer for the good of the order committee.

### MEMBERSHIP

Two applications for membership were read and an investigating committee was appointed. A letter from Lecturer R. M. Saymanski of Morgan Hill Grange was read. Saymanski invited the Grange to the Morgan Hill club's anniversary party. The invitation was accepted.

Mr. Walsh presented travel movies during the Lecturer's program. The films include such historical scenes as Lookout Mountain, Tennessee; Morro Castle in Cuba, Great Smokey Mountains, Shenandoah Valley, Niagara Falls, Washington, D. C., New York City and other cities.

Mary Breeding led a game in which all participated during the refreshment hour. Hosts were Mary and Lester Breeding, Maxine and Fred Grevstad.

Next Grange meeting will be on February 10, when a Valentine party will highlight the evening.

## Play Equipment To Be Moreland PTA Project

Moreland PTA held its regular meeting Wednesday evening, January 18, in the school cafeteria. Preceding the business session a potluck supper was held. During the business session members voted that the year's project of the Moreland PTA be playground equipment for the school. It was also decided that two card parties be held on February 4 and March 4, 1950.

Mrs. F. Hale Jackson, guest speaker, gave a very interesting talk on "Good As Gold—or Just Normal." It is Mrs. Jackson's opinion that "Humor in the home is very important if we are to have the child we want, not those good as gold, but the child who is just normal."

Carolyn Handian, Moreland student, entertained with a piano solo.

Mrs. Gussie Baker, principal, introduced Mr. Edward Rudloff, a graduate student in the School of Education, Stanford University, who spoke on the need of additional school buildings in the Moreland district and explained a survey that had been made of pre-school children in this area. Mr. Rudloff was assisted by Mr. V. Hall, graduate student of Stanford and a teacher at Balboa High School in San Francisco, who presented aerial picture slides of this district, and of other communities with conditions similar to Moreland. This work is done under the direction of Dr. James D. MacConnell, Associate Dean in the School of Education at Stanford.

Mothers of third and fourth grade students were hostesses.

## Whist Party

Date of the Moreland School Parent-Teacher Association whist party has been changed to Friday, February 3, at 8 p.m. in the school cafeteria, Payne and Saratoga Roads.

School playground equipment will be bought with the proceeds of the card party.

Mr. and Mrs. M. Harp are in charge of arrangements. Refreshments will be served, and an enjoyable evening with a number of special events is promised all comers. Movies will be shown to children in the kindergarten room. The public is invited to attend.

## Boy Scout Leaders Attend Training Program In S.J.

Boy Scout leaders of the Santa Clara County Council participated in a series of training programs the week of January 24-29, inc.) under the direction of Hart P. Bushnell of Los Angeles, Assistant to the National Director of Scouting Services, Boy Scouts of America. Bushnell is one of the six National Staff men who work with local Boy Scout Council training committees and aid in setting up training programs for volunteer leaders in the movement.

Tuesday evening, Jan. 24, in the Boy Scout office, the Council's leadership training committee met with Bushnell to develop the 1950 training program for Cub, Scout and Explorer leaders. Chairman Oliver S. Brown of Gilroy presided.

Wednesday evening at St. Joseph's School, San Jose, commissioners and leaders from the Council's six districts participated in a demonstration of a District Roundtable under the direction of Council Commissioner Milt P. Ryder and Mr. Bushnell.

An Instructor's Training Course for leaders who will assist in the training of Scoutmasters started Friday evening at St. Joseph's School and continued Saturday and Sunday at Stuart Camp near Saratoga. Special training in teaching of the basic outdoor Scoutcraft skills and the actual practice of several of the sections of the new Scoutmaster's Training Course highlighted the weekend program.

## Long Beach Relays Is First 1950 Stop For SJS Trackmen

Three triangular meets and a pair of dual meets highlight the San Jose State 1950 track schedule as announced Wednesday by Glenn (Tiny) Hartranft, director of physical education.

Teaming with Fresno to battle powerful U.S.C. on April 1, the Spartans will face the Trojans for the first time outside of competition in the various relays. Coach Bud Winters' thinclads also meet Stanford and Olympic Club in a three-way meet April 15.

The Spartans will be host to Santa Clara and U.S.F. April 25. Traditional rivals Fresno and College of the Pacific will be met in dual meets. The Spartans will welcome Pacific to San Jose and attempt revenge for their 1949 loss to the Tigers—the first in 19 years.

The Spartans and Fresno inaugurate a new plan in their annual meet. Both varsity and frosh competition will be held, with the meets running concurrently.

The freshmen events will be alternated with the varsity.

## State Players To Produce Play

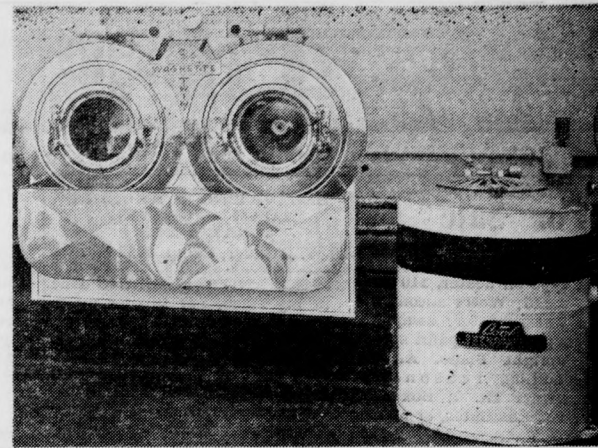

The San Jose State College production of Shakespeare's "The Taming of the Shrew" will have an added performance, Dr. Hugh W. Gillis, head of the Speech and Drama Department announced today.

The play begins its run Thursday, February 2 and will run on through Wednesday, February 8, except for Sunday the 5th.

Directing the 13 scenes of "The Taming of the Shrew" is Elizabeth Loeffler, drama staff director, who has had wide experience both as an actress and director of Shakespearean comedy.

Other faculty members concerned with the college's current production are J. Wendell Johnson, who is designing the setting; Bernice Prisk, who, with the assistance of Chez Haeli is preparing original costumes for the cast, and technical directors James Lioi and Douglas Morrison who are supervising the construction and staging of the production.

Virginia Jennings, who directed the dance sequences in "Faust" was outstanding, is preparing a period dance for the play.

Cambrian Men's  
Club Hears Walsh  
Explode Fallacies

Cambrian Men's Club heard  
Martin S. Walsh, well-known at-  
torney who resides in Campbell,  
speak on "Exploding the Myth," at  
their Tuesday night meeting in  
the school auditorium.

Walsh exploded fallacies people  
have been led to believe. Among  
the myths he cleared up in his  
speech is that the ostrich does not  
stick his head in the sand, as  
many people believe is true.

Throughout the years, Walsh  
has accumulated the information  
and data to explode the various  
fallacies. Guest speaking honors  
were shared by Joe Reiter who  
discussed the proposed drive-in  
theatre to be erected in the Cam-  
brian district. He requested that  
the club withdraw their opposition  
to the construction of the movie  
establishment at this location.

Children's Ballet  
Theatre To Present  
Plays At Palo Alto

The Children's Ballet Theatre of  
San Francisco is bringing "Cinder-  
ella" and "The Feast of the Spider"  
to the deep peninsula. Evelyn  
Wenger, who directs the company,  
is one of the foremost artists to  
develop ballet on the West coast.

In this production are combined  
classical and modern ballet; a tra-  
ditional story and a phantasy. The  
performance will be held at the  
Palo Alto High school auditorium  
Saturday, March 4 at 2:30  
p.m.

"Cinderella" is a story which  
has taken an honored place on the  
bookshelves of many generations.  
Its present setting is Schumann's  
spirited First Symphony. The ad-  
ventures of the beautiful maiden  
and her foolish stepsisters are fill-  
ed with fun and old-world charm.

"The Feast of the Spider" rep-  
resents human behavior as acted  
by everyday garden insects. The  
spider is avaricious, the butterfly  
dainty and foolish, the beetles full  
of mischief, but still very courag-  
eous. Flies, mantises, ants and  
fruit worms all come to help make  
the fun.

Taking the role of the spider  
will be Marise Lorenzini, Lucille  
Mayes will be the butterfly, Marge  
Thomson and Phyllis Waldie the  
beetles.

Tickets are at the Peninsula box  
office, Davenport 2-2122.
